VU'S INNOVATION CHALLENGE 2018

Excited by new ideas to design, code and be connected?

Create mobile messaging stickers and compete against other students to awesome prizes.

VU's Innovation Challenge brings you onto campus for MasterLab workshops where you will learn how to create, code and market your own digital stickers (used in mobile messaging). For more information and to register visit **vu.edu.au/innovation-challenge**. Registrations close Monday 25 June 2018.
